## Terms and Conditions of letting + Booking Form

Care has been taken to accurately describe the property, but it is possible that changes have subsequently taken place.

All bookings are accepted in good faith, but in the unlikely event of an occurrence making it necessary for any bookings already confirmed to be subsequently cancelled, our liability shall be limited to the immediate return in full of all monies paid.

Dates reserved by telephone / e-mail must please be followed immediately by a completed booking form and advance payment to secure the booking. Failure to do this may result in the dates being re-let. No booking shall be deemed to have been made until a booking form and remittance is received and confirmed.

The property is occupied only for a holiday or temporary stay for the duration booked and paid for and is set up for a maximum of two persons and possibly a baby.

Once the booking has been confirmed, the Hirer is liable in law to pay for the accommodation for the whole period reserved, in full. You may wish to take an appropriate holiday cancellation policy before booking to cover you for any unforeseen eventuality.

There is a deposit to be paid at the time of booking (20% of the agreed rent), with the balance payable within 6 weeks of the date of arrival. If booking is made within the 6 weeks period the full payment will need to be paid. Non-payment of a balance by the due date may be taken as cancellation and the Owner may endeavour to re-let the property. In the event of this the Owner will be entitled to retain the advance payment. This should not be seen as relieving the Hirer of his legal responsibility to pay the full amount should the property remain un-let. If endeavours to re-let the property are successful, the Owner may refund to the Hirer some or all of the monies paid, less a £50 cancellation fee.

The Owner, other than resulting from negligence, shall not be responsible for any injury, loss or damage, of whatsoever nature, suffered by the Hirer or any members of the Hirer's party or any other person lawfully upon the property during the occupancy.

To enable the Owner to have time to thoroughly check through for the next occupants, the property should please be vacated by 10.00am on the day of departure. On arrival it may be occupied at any time after 3.00pm. Notification of late arrival or early departure, particularly if of a full days' duration or more, will be appreciated. **Changeover day is a Friday.**

Cottages are cleaned and inspected between lets. On arrival please notify us of defects within 24 hours; failing which you are deemed to accept the condition of the property. By accepting our Terms and Booking conditions the Hirer has agreed to leave the property at the end of their stay in the condition as found. In the unlikely event of the property not being left to the required standard the Hirer will be notified in writing and the cost of extra cleaning / rectification / repair will be invoiced. The word of the Owner will be final in this respect.

Breakages and damages should either please be replaced by the Hirer with similar or advised to the Owner to enable this to be done at replacement cost to the Hirer, and your kind attention to this would be appreciated.

The person making the booking will remain responsible for all members of the party and should ensure they are aware of booking conditions. If these are not met, the Owner could refuse right of entry to the property and no monies will be refunded.

Bookings for persons under the age of 25 are not normally accepted but special considerations will always be given upon receipt of full details.

Linen is included in this property. The right is reserved to pass on and charge as an extra any exceptional charge which may be levied upon the Owner, for any service or supply provided, (eg electricity and water) although these costs are normally inclusive in holiday lettings.

The right of entry to the property at all reasonable times is reserved by the Owner with or without workmen for the purpose of inspection or to carry out any repair deemed necessary to the property or equipment, including gardening.

Whilst every care is taken to ensure complete satisfaction with your holiday accommodation, in the unhappy event of you having cause to complain, please take this up with the Owner as soon as possible. No complaint will be accepted at the end of the holiday or after the Hirer has returned home. Reports, appreciative comments or constructive suggestions for improvement will always be gladly received. In matters of equipment going wrong, it should please be realised that although frequently checked, items not reported by departing occupants may escape attention. In cases of failure or malfunction of domestic appliances or equipment (loss of picture quality of TV receivers, furniture, fittings, drainage, electricity / gas / water supplies) the Owners will use their best endeavours to have all such faults and failures corrected as soon as possible after the same shall have been reported to them. In the case of items requiring expert attention the Owner's liability shall be limited to the passing of the request for service to their usual suppliers or repairers. No responsibility can be accepted for any subsequent delay on the part of such suppliers or repairers eg for any loss of frozen food due to failure of a freezer.

No pets are permitted.

In the unfortunate event that you have to cancel your holiday, please telephone 01395 568104. We shall also require written confirmation (e-mail / post) within five days. If you are cancelling, the cost of the holiday must be paid in full. The Owner will attempt to re-let the accommodation on your behalf; if this proves successful you would be refunded the cost of your holiday less a £50 administration fee. If you are cancelling before your balance is due, please note you will still be liable to pay the balance in full on the due date.

**Please e-mail ([ptd@toolmaker.uk.com](mailto:ptd@toolmaker.uk.com)) or telephone (01395 568104) for prices and availability.**

A deposit will be required to secure the booking (20% of full cost), if more than 6 weeks before the start of your stay.
